SITECARE SPEED

$90 P/MONTH

PLAN OVERVIEW

No one likes a slow website – and neither does Google! Focusing on providing a faster and safer experience to your website visitors will positively influence SEO and increase conversions for a better ROI.

With the SiteCare Speed plan, we will turbo-charge your website with our comprehensive optimization checklist and powerful software to achieve the fastest load times possible. We then monitor your website with daily performance checks to evaluate changes to your speed grades, so we can act quickly to fix any problems.

FEATURES INCLUDED

Includes the essential features of Basic, plus the additional features listed below to greatly improve website security, speed, and performance.

- 40 SitePass Minutes
- Security Hardening
- Link Monitor
- Complianz Privacy Suite
- ReviewsOnMyWebsite
- WP Rocket Cache
- Bunny CDN (Content Delivery Network)
- Imagify Image Optimization
- Daily Performance Check
- Monthly Performance Report
