

STYLE AGENT

Website Co.

SPEED

\$90 P/MONTH

MAINTENANCE

PLAN OVERVIEW

No one likes a slow website – and neither does Google! We turbo-charge your website with our comprehensive optimization checklist and powerful software to achieve the fastest load times possible. We then monitor your website with daily performance checks to evaluate changes to your speed grades, so we can quickly fix any problems.

Speed is our most popular maintenance plan and forms the foundation for customers considering upgrading to the Boost search engine optimization plan.

FEATURES INCLUDED

Includes the essential features of Basic, plus the additional features listed below.

- 30 Design Card Minutes
- Security Hardening
- Link Monitor
- Google Analytics 4
- ReviewsOnMyWebsite
- WP Rocket Cache
- Bunny CDN (Content Delivery Network)
- Imagify Image Optimization
- Daily Performance Check
- Monthly Performance Report
